

WHAT IS “BOLD BUSES” ABOUT?

**CHILDREN SPEND AT THE LEAST
12 YEARS IN PRIMARY SCHOOL.**

**THAT IS 12 YEARS RIDING A BUS 5
DAYS A WEEK, TWICE A DAY,
DURING A SCHOOL YEAR.**

It requires three separate groups of people to communicate with each other quickly, timely and with reliable information to accomplish this.

**CONTRACT
BUS
COMPANY** **+** **THE SCHOOL** **+** **PARENT
OR
GUARDIAN**

Right now this is a **HUGE** challenge that causes a lot of issues including; stress, anxiety and money to name a few.

BOLD BUSES HAS CREATED A INTERNET BASED SYSTEM THAT:

- Narrows the communication gap
- Minimizes the possibility of errors
- Provides real time updates
- Collects historical data on completed routes.

NARROWS THE COMMUNICATION GAP

- We provide messaging, with the least amount of effort, between the Bus Company and Drivers, the Schools & Families.
- Simple ways for the School to send updated notifications to the parents.

MINIMIZES ERRORS

- Child location errors
 - Dropped off at incorrect location
 - Missing child
- Bus maintenance solutions
- Altered time frames on route

REAL TIME UPDATES

- Drop off notifications to parents phone App or email.
- Time delay notifications to School & Guardian for pick ups and drop offs.
- In app messaging on emergency changes from the guardian.

HISTORICAL DATA ON COMPLETED ROUTES

- Printable logs on
 - Driver over all performance
 - Adherence to speed limit and other traffic laws.
 - Child drop off location
 - Maintenance or Accident
 - Time
 - Location
 - Driver
 - Student behavior and/or altercations.

WHY?

PROCESS (CHILD TRACKING)

- Enter Child “Picked Up” into the system
 - * Simply tap the check mark box by the child's name in the route stop list.
- Mark all picked up children unloaded at their individual schools.
- Mark all children picked up from the school.
- * At each stop the GPS system identifies the stop, shows a list of children to be dropped off at that location.
 - Tap check mark next to each of the students present and exiting the bus at that stop.

*A notification is sent to the guardian stating that their child as be picked up or dropped off.
